---

## Objective

I'm seeking a web developer position at a company where I can learn, collaborate & grow as an engineer

## Technical Skills

**Languages:** Ruby, JavaScript, HTML5, CSS3, SASS

**Frameworks:** Rails, AngularJS, Sinatra

**Databases:** MySQL, SQLite3, PostgreSQL

**Design:** Adobe Photoshop, Adobe Illustrator

**Other:** HTTP, Redis, Sidekiq, Git, Ajax, JSON, jQuery, Heroku, Bitbucket, Docker, Memcached, Sitecore CMS, Gulp, Node.js

## Experience

### Questus - San Francisco, CA

Jan 2015 – Present

*Front End Developer*

- Integral in developing frontend on new site launch for [Driscolls](#)
- Developed frontend for [Mythexplorer](#), a dynamic site utilizing Angular
- Lone front end developer on complete site rebuild for Valvoline
- Built mobile prototype app for NBC News using Angular & Rails
- Implemented internal Asana task creation app using Asana API & Sinatra
- Regularly make updates and add features to Suzuki microsites

### OtherLevels - San Francisco, CA

Aug 2014 – Nov 2014

*Junior Integration Engineer (contractor)*

- Built internal dashboard application for global sales team (Rails backend, AngularJS frontend)
- Mapped data utilizing MySQL queries & Rails ActiveRecord
- Enhanced performance by integrating memcached caching

### General Assembly - San Francisco, CA

Mar 2014 – June 2014

*Web development immersive student*

- [Completed 12 week intensive full stack web development course](#)
- Programmed 80+ hours per week building web ready apps end to end
- Practiced absorbing dense topics & new technologies; subsequently, applied that knowledge, completing functional apps in short periods of time
- Enhanced pair programming skills collaborating with classmates
- Implemented testing via RSPEC & Jasmine
- Covered computer science theory: efficiency ("The Big-O"), data structures & algorithms

### Mixonix - San Francisco, CA

Jan 2014 – Apr 2014

*Graphic Designer (contractor)*

### Travel - Completed lap around the world

Jan 2013 – Dec 2013

### Mixonix - San Francisco, CA

Jan 2009 – Dec 2012

*Director of Operations*
